STORMTROOPER™

STAR WARS™

Welcome to your new LEGO® Star Wars™ building adventure.

Helmets are an iconic part of the *Star Wars*™ universe, and we're proud to present a line of construction sets that fans will love to build and display.

When you build your model, you'll see we've worked hard to stay faithful to the original designs. We've also brought the helmets down to a scale that's easy to put together, practical to display, and beautiful to look at.

Happy building!

Jens Kronvold Frederiksen
Creative Director, LEGO® Star Wars™

75276 Stormtrooper™ Helmet

Soon you'll be displaying one of the most recognisable and feared helmets in the galaxy. Something to think about while you put it together!

Stormtroopers were the first villains ever seen in the *Star Wars* galaxy when they blasted into the Rebel blockade runner hallway in the original *Star Wars* trilogy. The model you are about to build is based on that iconic trooper, as seen in *Star Wars: The Empire Strikes Back*.

This is an instantly recognisable model design-wise, and the contrast with the black and white colours is gorgeous to the eye.
